Journal Editorial Board

Member of the Editorial Board, *Journal of Business Management and Economics*.

Journal Referee

- I have refereed or am refereeing articles for the *Oxford Bulletin of Economics and Statistics*, *Scandinavian Journal of Economics*, *World Economy*, *Review of World Economics*, *Ecological Economics*, *Applied Economics*, *Regional Studies*, *Global Economy Journal*, *Regional Studies*, *International Review of Applied Economics* and *Energy Journal*.

Other Refereeing

I have refereed large project grant applications for the ESRC.

Organised

Workshop

- I organised and hosted a one-day workshop on General Equilibrium Models of Transition and EU Enlargement at CSGR, Warwick, Janu-

ary 2002. This was as part of the EPRIIEE EU-funded RTD project www.epriee.ncl.ac.uk .

- I organised a special session on Perceived Threats to European Workers, for the INFER conference at Loughborough, October 2007.
- I organised a mini-workshop in Loughborough, Jan 19th 2009, on 'Modelling Employment and Inequality'.

Research/Consultancy

Proposals

- Helped compile the application to the European Commission for funding for the EPRIIEE research network under Framework V.(Coordinator Dr David Barlow, University of Newcastle-upon-Tyne).
- Other bids to the Economic and Social Research Council, Leverhulme Trust, European Commission etc.
- Currently part of the GLOBUSEUROPA consortium bidding for a Framework VII grant (organiser, CEPS, Brussels).

Projects

- Oct 2008 for 3 years: Part of ANR-funded network on 'Mondialisation, restructurations, et declassement social et professionnel' (coordinators Nathalie Chusseau and Joel Hellier, Lille).
- 2007-date: INEQ EU Framework VI network on Globalisation and Inequality (organiser CRISS, Rome).
- 2001-4: EPRIIEE EU Framework V network on Economic and Political Re-Integration in an Enlarged Europe.
- 2000-3: MIMAP-funded project on globalisation and inequality in South Asia (Organiser Prof John Whalley)
- 1999-2001: TSER project on Globalisation and Social Exclusion (Organiser Paul Brenton, CEPS, Brussels).
- 1998-1999: EU network on applied general equilibrium modelling (Organiser Amedeo Fossati, Genova).

Consultancies

- 2007: research/consultancy for CEPS for the European Commission on trade relations with South Korea.

- 2006 consultancy for the European Commission on Deeper Free Trade with Ukraine (with CEPS/Kiel).
- 1993 consultancy for the European Commission on Liberalisation of the European Steel Trade.

Links with Research Institutes

- Centre for European Policy Studies, Brussels (part-time research post - currently in abeyance).
- Institute for World Economics, Kiel (part-time research post).
- Centre for the Study of Globalisation and Regionalisation, Warwick.(Associate)
- Centre for Globalisation Research, Queen Mary's College, University of London (Visiting Fellow).

Teaching

Loughborough:

- Intermediate Microeconomics (lectures and classes) - second year and diploma students.
- Developments in Microeconomics - third year students (focused on bargaining theory and applied general equilibrium).
- Research Practice Seminars for MSc students on Asian Growth and on Barriers to Trade in Financial Services
- Undergraduate Project Supervision.(Carbon permit allocation, trade and wages, migration and wages).
- (Anticipated this year): Economics of Transition (third year students).
- (Anticipated this year): Trade Theory (MSc level).

Warwick:

- Development Economics (class tutor and occasional lecturer).
- Private supervision in mathematical economics (MSc level).

Administration

- At Loughborough: PhD seminar organiser
- Faculty board representative.

Skills GAMS programming

Languages

- English (native)
- German (good/moderate)
- French (moderate)
- Italian (a little)
